

WEBSITE TERMS & CONDITIONS

1. Enquiries

For information on product availability, sizing enquiries or any other technical issue, please [contact us](#) between 9.00 am and 5.30 pm, Monday to Saturday.

2. About Grade One 'G1' Products

Grade One (G1) products are supplied in a used (i.e. secondhand) condition. The condition of G1 goods does vary. Some items may be supplied in near brand new condition, whilst others may appear visibly worn. Unlike brand new items, G1 goods may have been subject to minor repairs which are difficult to notice. Cadet Direct guarantees that all G1 goods are supplied in a serviceable condition (please see the Cadet Direct Customer Satisfaction Guarantee). If you have any questions regarding G1 goods, please do not hesitate to [contact us](#).

3. Deliveries

We aim to process and dispatch your order within 1 working day of receipt (excluding weekends and bank holidays), although it can sometimes take longer e.g. during busy periods or for items that are not in stock. Although most goods arrive earlier, please allow a maximum of 28 days for delivery. Please note that the supply of both brand new and G1 (used) surplus clothing and military equipment can be less reliable than conventional goods. If you wish to enquire about the availability of items (or how long it will take for them to be delivered to you), please [contact us](#).

We charge a standard scale of postage and packing on orders based on weight or value. For certain oversized orders, for example very large orders, it is sometimes necessary to charge a special carriage charge in order to ensure that goods are properly handled and protected. We will always inform you of special carriage charges before processing your payment. Please do not hesitate to [contact us](#) if you wish to enquire about post and packing rates.

We deliver anywhere in mainland UK and Northern Ireland (including the Channel Islands). Orders are delivered either by courier or First Class Royal Mail. If there is no one available at home during daytime business hours then please give details of a separate delivery address where someone will be available to sign and receive your parcel (for example your place of work, or a neighbour or relative's address). International orders have their postage calculated according to our published [post and packing](#) costs. Cadet Direct will export to most countries as required by our customers.

Items may be sent separately, so do not worry if your entire order does not arrive in one parcel. Out-of-stock goods marked 'to follow' on your invoice/delivery note will be forwarded automatically as soon as they come into stock and there is no need to contact us again. Items marked as 'not in stock' are no longer available and will not be sent or appear on your invoice.

4. Cadet Direct Customer Satisfaction Guarantee

Under the Consumer Protection (Distance Selling) Regulations 2000 (DSR) you have a statutory right to cancel your order and receive a full refund for any item, with the exception of items personalised for you (e.g. special embroidery). All products advertised in this catalogue are covered by the Cadet Direct Customer Satisfaction Guarantee - we accept any return, for any reason, in the event of you not being 100% satisfied with your purchase.

5. Exchanging Goods with Cadet Direct

Please note that goods should be returned to us within 14 days in a new unused condition (or for G1 goods, in the same condition as supplied). All goods should be sent by Royal Mail and addressed to: **'Exchanges, Cadet Direct Ltd, Units 9/14, April Court, Sybron Way, Jarvis Brook, Crowborough, East Sussex TN6 3DZ'**. Please include a photocopy of the original invoice with a note or letter detailing the nature of the return and any actions you require us to take. Please ask your Post Office for a 'Proof of Posting Certificate' or similar document when returning any goods. If goods are faulty or if there is an error by Cadet Direct, we will normally refund your return postage costs (Cadet Direct can obtain this information from the package itself). If you have ordered the incorrect size or item you will need to enclose a cheque or postal order for the original postage value made payable to "Cadet Direct Ltd" to cover additional postage. Failure to enclose payment or instructions will delay the processing of your exchange. If you are not sure whether or not you are eligible for a refund of your return postage costs, please [contact us](#).
