

# PLCE COMBAT ORDER

combatequipment

PLCE Combat Order consists of equipment designed to further maintain a soldier's operational effectiveness and survivability on the modern battlefield. This includes items such as 24 hour rations, NBC equipment and personal hygiene products. The equipment shown should always be carried in combination with PLCE Assault Order (see page 24). Visit our website at [www.survivalaids.com](http://www.survivalaids.com) for our full range of equipment.
